Sir

Subject - Boundary limits of - Nyamathi Minor Municipality - Extension of -

I have the honour to state that the Minor Municipal Council of Nyamathi, have resolved in their meeting held on 29th November 1941, that the Municipal boundary line may be extended so as to bring the proposed Town Hall Building and the shandy maidan within the Municipal limits

2 A copy of the resolution of the council is enclosed

3 In supporting the resolution of the council, the President of the Municipality, has reported that lands required for the extension of Adikarnataka colony, for the construction of the Town Hall and for the formation of the Bus Stand and shandy maidan, have been acquired in several survey numbers, situated on all sides of the town Further he has stated that the Nyamathi Town is a growing one and that it is necessary to extend the limits of the Town for facilitating the collection of octroi and market fees, which are the mainstay of the Municipality

4 I have inspected the place in this connection and made enquiries and verified the above facts In my view also, it is very necessary to extend the limits of the Town in order to bring the shandy maidan and the Town Hall within the limits of the Municipality

5 I therefore request that you will be so good as to cause a notification to be published in the Gazette under Section 4(1) of the

Minor
